

Canadian Time Zones

Use the time zone map of Canada to answer the following:

- [1] How many time zones are there in Canada?
- [2] Why do boundaries of time zones not always follow a straight line?
- [3] Name your home time zone.
- [4] How many hours of difference are there between your time zone and Universal Time?
- [5] If a hockey game is televised at 8:00pm in Toronto, what time will it be seen in the city of Vancouver?
- [6] How big a time difference is there between the Newfoundland Standard Time and the Atlantic Time Standard zone?
