

Geography of Canada
Video: Telling the Weather

- [1] *What is the study of meteorology?*
- [2] *What do meteorologists do?*
- [3] *Where does weather occur?*
- [4] *What causes the air currents?*
- [5] *What is a weather front?*
- [6] *What changes occur as a result of a cold front?*
- [7] *What is a high-pressure system? What is its effect?*
- [8] *What does air pressure mean?*

[9] *What innovations have been made in the last twenty years to improve weather forecasting?*

[10] *What do computer weather models show us?*

[11] *What is the jet stream?*

[12] *What is Doppler radar?*

[13] *What is a tornado?*

[14] *What are updrafts?*

[15] *What are the three basic types of clouds?*

[16] *Describe how lightning is formed?*

[17] *What is the difference between a tornado and a hurricane?*
